

Mc Grevy Abélard, MBA, MGP, Adm.A., CRSP

Mc Grevy Abélard is an entrepreneur and researcher specializing in strategic management, complex projects, and renewable energy. He holds a dual MBA (UQAM / Paris-Dauphine) and is currently pursuing a PhD at UQAM. He is affiliated with ESG-UQAM and the Université de Sherbrooke–CNRS.

He is also the founder of AMG Global Conseil and co-founder of the startup Aginsoft. From 2020 to 2023, he served as Vice President of L'Avant-garde, an organization focused on mental health.

His multidisciplinary background fuels his commitment to sustainable innovation and high-impact solutions.
