

Céline Caron has served as President of FADOQ – Estrie Region since 2025, following her tenure as a Board Director and Vice-President.

Holding a bachelor's degree in music education and a master's degree in educational administration, she dedicated more than 22 years to leadership roles in elementary education, secondary education, and adult general education. Throughout her career, she developed strong expertise in governance, strategic planning, team engagement, and change management.

Convinced that individual and organizational development are inseparable, she champions an approach grounded in collaboration, dialogue, and collective intelligence. In her view, the most sustainable solutions are built through teamwork, respect for individuals, and a shared vision.

Drawing on her experience serving on numerous boards of directors, she now brings her expertise to advancing a strong, collaborative, and forward-looking FADOQ. Her commitment is focused on supporting the network's growth and fostering the full participation of adults aged 50 and over.
